Australian born David Armitage's work as a painter and children's book illustrator is well known.

The oldest of the now classic Lighthouse Keeper series (written by his wife Ronda) will soon celebrate it's fortieth birthday. His exhibition 'A Decade of Colour' was described as follows: *"His most recent paintings reveal an astonishing new development and level of sophistication. There is no doubt in my mind that he is a supreme colourist"*.

Sculptor and past president of the Royal Academy.
